THE NEW CASIO PRINTING CALCULATORS

THE ULTIMATE IN PERFORMANCE AND STYLE

Introducing the new Casio printing calculators – with the style to match their performance.

Our new Portable, Compact and Desktop models boast all the business efficiency and reliability that makes Casio easily the UK's largest-selling calculator brand.

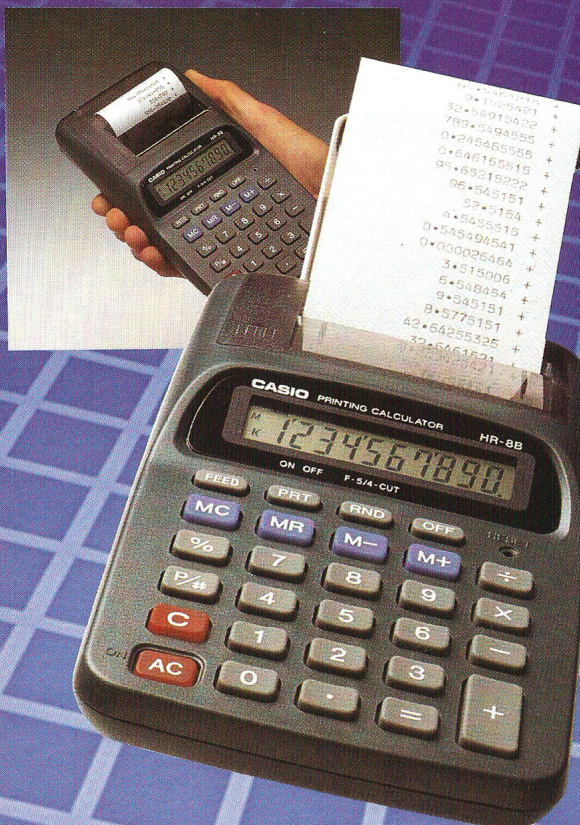

Now, these impressive specifications come in a new streamlined design that makes each model the perfect complement to any modern office setting.

Great Performance... Designer style... Unbeatable value...

That's Casio.

CASIO®

PORTABLE

HR-8B 10-DIGIT Mini Printer

Weighing in at under 300g, the HR-8B is the ideal portable printer. Its clear LCD display also enables you to use it as a hand-held calculator, while the print roll can be carried externally or internally* for maximum versatility.

- 4 key independent memory
- Fixed or floating decimal system with round-off or cut-off
- Print speed 1.4 lines per second
- Powered by battery or mains adaptor (optional).

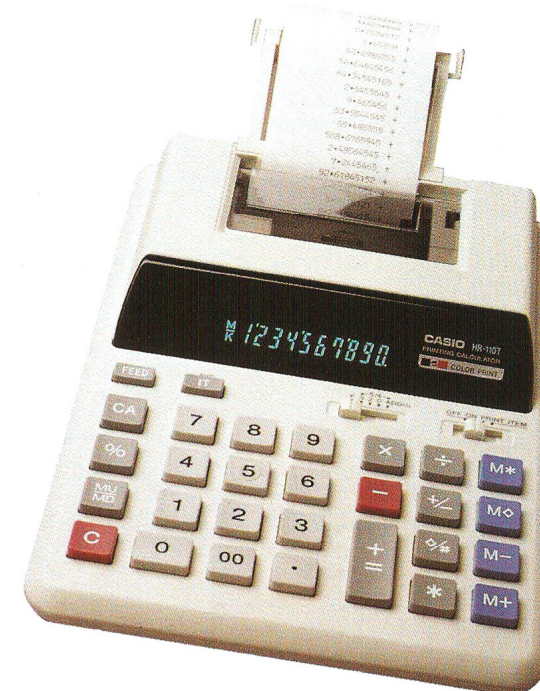

*Internal roll (Casio ref. P5825).

COMPACT

HR-110T 10-DIGIT

Compact Two Colour Printer
HR-100T 10-DIGIT with one colour printing (not shown)

Featuring 2-colour printing for ease of reference on the print-out, the HR-110T is a fully featured machine which runs on batteries or an optional mains adaptor.

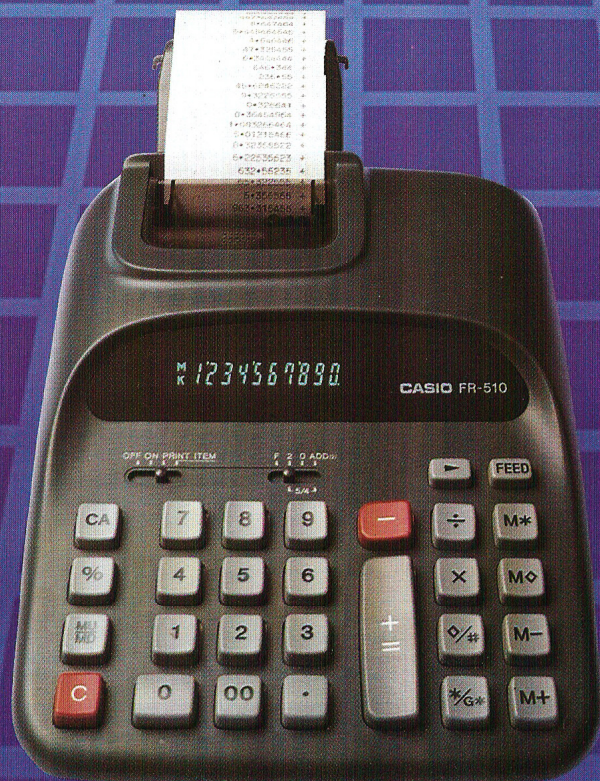

- 2 colour printer
- 4 key independent memory
- Sub total/total
- Percentage mark-up/mark-down
- Item count and average functions
- Double zero key
- Fixed or floating decimal point 0,2,3, with cut-off or round-off
- Print speed 1.1 lines per second
- Powered by battery or mains adaptor (optional).

FR-510 10-DIGIT Desktop Printer

This compact calculator is styled for the 90s, with performance to match. Print rate is a speedy 1.6 lines per second, and the machine comes complete with fitted plug.

- Full decimal system – floating, fixed (0-2) with round-off and ADD mode
- Sub total/total/grand total
- Mark-up/mark-down
- Item count
- 3 digit comma markers
- Double zero key
- 1.6 lines per second
- Mains powered.

DESKTOP

FR-2500 10-DIGIT Desktop Printer

A rugged and reliable machine for everyday use that you can depend on. Fully featured it is the perfect addition to the small office.

DESKTOP

- Full decimal system – floating, fixed (0-4) with round-off or cut-off and ADD mode
- Sub total/total/grand total
- Mark-up/mark-down
- Item count
- 3 digit comma markers
- Double zero key
- 1.6 lines per second
- Mains powered.

FR-5100 10-DIGIT Desktop Printer

Carrying through the new Casio streamlined styling to a desktop machine, the FR-5100 delivers rugged, versatile performance and prints at a highly efficient 2.6 lines per second.

- Full decimal system – floating, fixed (0-4) with round-off or cut-off and ADD mode
- Sub total/total/grand total
- Mark-up/mark-down
- Item count
- 3 digit comma markers
- Double zero key
- 2.6 lines per second
- Mains powered.

TEST DRIVE THE NEW CASIO PRINTING CALCULATORS

Why not sample the performance and style of the new Casio printing calculators for yourself?

Your local dealer will be glad to let you view the model of your choice. Alternatively, order direct from your usual office equipment supplier.
